Transportation Request Form

Dear Parents/Guardians:

Welcome to Marquette Area Public Schools. Please complete a google form for your student, if you are requesting transportation. If you don't complete this form, your student may not be assigned to ride the bus. If you have multiple students in the district, you will need to complete a form for each student. Please do not sign up students BEFORE JULY 1, 2024.

If transportation arrangements change, parents and guardians should complete a new form.

You can find the Google form on the MAPS website at:
https://www.mapsnet.org/district_departments/transportation.

Also, at the website link above is information about our Here Comes the Bus Program (HCTB). HCTB is a mobile app and website that delivers real-time school bus arrival and departure notifications to parents via mobile push and email notifications. Student boarding cards will be mailed to parents or guardians and students should scan on/off the bus as they enter and exit. This allows parents to see student locations at the point of scanning. Students won't be prevented from riding the bus if they do not have a card but use of the card is strongly encouraged.

If you are unable to fill out a Google form or if you have any questions regarding transportation, please call 225-5774 for assistance.

Thank you,

Debra Fure
